## SEPTEMBER 2008

Area Co-ordinator & Editor: Tom Holmes 5492 1125

Emergency Numbers		000
Ambulance 13 12 33	Police 5439 4444	Fire 5436 4222
Poisons 13 11 26	Electricity 136 262	SES 132 500

Good Day residents of Diamond Head. I am advised that our last meeting was well attended which is very pleasing. As I had mentioned in our last newsletter I would be unable to attend the meeting as I would be away overseas I did really enjoy the sights of Scandinavia and the job as an official at the International Life Saving Federation World Championships. BUT there I was on the pool deck at the Europapark in Berlin and my eye was taken by a sign that read "ITHICA – CALOUNDRA LIFE SAVING CLUB. Yes there was a team from our local Bulcock Beach Club competing at the championships! BUT when I met the lads one gentleman said I know your name, you write the Neighbourhood Watch Newsletter for Diamond Head and I live in Therese Street. You know what they say about a small world and somebody DOES read the newsletter.

I thank you for your confidence in my carrying on as the area Co-ordinator for the next year. I also offer my sincere gratitude to Alan Wood who conducted the meeting in my absence and to Evelyn Watts for distributing the newsletters.

It appears that there are people who believe "that what's yours is theirs" and we had some insidious individual's breaking and entering and stealing property. This is a stark reminder that it can happen to us and that we cannot be complacent about being vigilant. Seeing something unusual or persons who look suspicious is reason enough to call the police.

**IT IS SIMPLE – PHONE 1800 333 000 CRIME STOPPERS.**

**SEE YOU AT OUR NEXT MEETING**  
**Tuesday 2nd September at 10.45am**  
**Merv McGeechan Place, Jensen Park, Bells Creek.**
